**Masters in the Art of Teaching** • University of Colorado at Denver, 2021

**Bachelor of Arts - English and French** • University of Colorado at Denver, 2005

## **PROFESSIONAL EXPERIENCE**

### **Teacher**

Ranch View Middle School and Cimarron Middle School

**August 2014 to Present**

7<sup>th</sup> and 8<sup>th</sup> French, Speech & Debate

- Used backwards design principles to create and implement daily lessons as well as assessments in order to teach and measure specific educational goals.
- Effectively developed positive relationships with students to create a safe learning environment where students would feel challenged and accomplished as they communicate in French.
- Continuously updated my teaching pedagogy through further education and professional development.
- As department chair, mentored new teachers, assisted the World Language department in data collection, led and facilitated team meetings.

### **English as a 2nd Language Instructor**

Colorado School of English

**June 2012 to August 2014**

- Wrote, applied, and adjusted lessons and assessments to teach and measure specific standards that focused on reading and note-taking skills, researching/writing essays and research papers, and giving presentations.
- Helped students prepare for the transition between an ESL school and university level courses.

### **After Sales Support**

Kärcher North America, Englewood, CO

**July 2009 to May 2011**

- Monitored the customer support email help desk, answered customer concerns in English and French; cleaned up a backlog of over 1200 emails, and wrote a library of automated email responses for others.
- Worked directly with management of the service center network to resolve shipping and billing issues which created over \$200,000 in outstanding invoices.
- Translated into French all the vendor agreements, distribution contracts, warranty guidelines, marketing, and packaging materials.
